Product description

ACRYLIC POWDER Clear Victoria Vynn

- Perfectly fine and transparent powder will facilitate the execution of convex decorations and color transitions.
- Easy to apply, perfectly adheres to light-curable products: varnishes and hybrid tops as well as nail gels.

Product features:

- Consistency: ultra fine powder
- Color: transparent
- Application: ombre, babyboomer, sweaters, sugar effect
- Application: on the uncured layer of light curable products

Benefits:

- Transparent powder does not change the base colors
- Ensures precise color penetration
- Leaves a matte finish
- Lasting effect
- Doesn't turn yellow

The expert advises:

- If you apply acrylic powder between the layers when performing ombre styling, the selected colors of the hybrid will blend smoothly
- The weave of a sweater or any other, made with a hybrid, any pattern sprinkled with acrylic powder will be emphasized and secured, and an interesting structure of sugar effect will be created on its surface
