Product description

GEL IN BOTTLE GEL ONE PHASE UV / LED Victoria Vynn 15 ml

- SINGLE-PHASE gel in a bottle for nail extension and hardening of the natural nail plate.
- It does not require the use of the base.
- BOTTLE GEL is the durability, resistance and flexibility of the hard gel, it works with the natural nail plate, so that the styling does not break or crack.
- SELF-LEVELING gel FORMULA enables styling without sawing.
- BOTTLE GEL can be used by stylists of all skill levels.

The properties of BOTTLE GEL combined with the ability to work with the product allow you to create a styling with a very natural look:

- Quick and easy construction and extension of nails with the use of nail forms and tips.
- Harden the natural plate.
- Complementing the styling in all light-curable systems: hybrid, gel, acrylic-gel.
- Perfect compensation of tile unevenness.
- Application of the gel with a varnish brush, directly from the bottle, will allow you to shorten the working time by up to 30%.

NOTE: The product is light sensitive; do not expose to sunlight or excessive heat.
