BIOKUR Waldemar Łopato ul. Wojska Polskiego 31 67-100 Nowa Sól www.victoriavynn24.eu

- Prepare the natural nail plate: shape, lightly mat, clean and degrease
- Apply Tape Bond and wait about 30 seconds.
- Cut the form and fit to the free edge of the nail
- Apply Mega Base to the form and nail, create skeleton and cure 30 sec. Remove the mould
- Apply a second coat of Mega Base, build up the apex, shape and cure 60 sec.
 Using an alcohol-based liquid, remove the dispersion layer, correct the shape with a file, matt, clean and degrease.
- Finish the planned styling. Apply your chosen polish and hybrid top coat, harden each layer.
