Product description

- Safe and high quality equipment is a must have for every professional manicure stylists who value well cared hands, feet and nails and expect quick results with moderate work load.
- Two collections of Victoria Vynn's manicure equipment :
- BASIC LINE and PREMIUM LINE were created to help with easy removal overgrown cuticles and preparation of natural plate to further styling.
- They are perfect for experienced stylist as well as for begginers.
- All products are made of highest quality stainless steel, autoclave and disinfectant resistant.

Proper cleaning, drying and storage will extend lifespan of your equipment.

- Disinfect equipment before and right after use.
- Long soaking in water or disinfectant may reduce effectiveness of your prouct.
- Any damage caused by dropping on hard surface may worsen quality and final effects.
- Carefully cleaned equipmant should be sterilised in autoclave.
- Disinfected, sterilised, and dried accesories should be stored in dedicated clean and dry place.
