Product description

- The latest collection of Gel Polish varnishes was inspired by Japanese comics and animations.
- First directed to children, today it deals with the topics of the modern world and it's created for young people and adults.
- The individualism, independence and unique qualities of the "cartoon" characters guided the creation of the new Anime Vibe collection.
- So we present eight summer colors that illuminate in the dark!
- Styles made with the colors of the Anime Vibe collection, when exposed to daylight or artificial light, become fluorescent and glow in the dark as a result.
- the intensity depends on the exposure time of the styling.

Gel Polish Color Victoria Vynn is a light-curable line of hybrid varnishes, which is used in two types of styling: 3-stage **HYBRID SYSTEM** and 4-stage **SOAK OFF SYTSTEM**. Gel Polish Cololor impresses with the quality of styling and possible applications - one color palette, two types of styling.

- For use in Hybrid and Soak Off manicure.
- Lacquer-gel formula.
- Two thin layers provide perfect coverage and color depth.
- It spreads evenly, without streaks.
- A wide range of colors: enamels, glitters, pastels, neon, semi-transparent and French colors.
