Product description

- Have you recently changed your office for a sofa?
- Your jacket has been replaced by a comfortable sweatshirt?
- We know it well! However, nothing prevents your nails from remaining in a business atmosphere!
- In the modern world, knowledge of the principles of excellent self-presentation is a component of professional success!
- The DRESS CODE collection consists of eight spring colors in shades of nude, pastel pink and beige, characterized by timeless elegance. Thanks to them, your hands will look beautiful in every situation (and with every outfit)!
- PURE CREAMY HYBRID hybrid nail polishes are distinguished by a high safety index.
- The creamy, odorless formula guarantees very good color coverage and maximum durability of the hybrid manicure.
- A flat brush, perfectly compatible with the Pure formula, applies the color evenly and leaves no streaks.
- The styling cured in the LED lamp can be easily removed with cosmetic alcohol, acetone or a milling machine.
- Creamy hybrid polishes Pure Creamy Hybrid – made using a modern, safe formulas which last up to 4 weeks.
- The colors of Pure hybrid polishes are created based on current trends and our customers' needs to highlight their beautiful hands.
- 100% satisfaction after application of the first layer.
- Pure hybrid polishes cured in LED lamps.
- creamy consistency
- self-leveling
- safe
- non-aggressive formula, without an irritating odor
- cured only in a LED lamp
- glass nails effect after application of the Pure Creamy Hybrid Top
- flat brush made especially for the PURE formula
