Product description

In the upcoming season, patterns will dominate fashion.

- They will make our outfits for warm days more interesting.
- Colorful, original motifs will decorate the most fashionable clothes, shoes and accessories, as well as nails.
- Stripes, polka dots, waves, geometric or abstract patterns inspired by modern or ethnic art.
- These prints have subordinated themselves to trends and today they come back in great style.
- They fit perfectly into both the metropolitan and seaside climate.
- They blend in perfectly with the monochrome look, but also create interesting styles in combination with a contrasting pattern.
- The colors from the Pattern collection will be the perfect background for the most fashionable prints.
- Creamy hybrid polishes Pure Creamy Hybrid – made using a modern, safe formulas which last up to 4 weeks.
- The colors of Pure hybrid polishes are created based on current trends and our customers' needs to highlight their beautiful hands.
- 100% satisfaction after application of the first layer.
- Pure hybrid polishes cured in LED lamps.
- creamy consistency
- self-leveling
- safe
- non-aggressive formula, without an irritating odor
- cured only in a LED lamp
- glass nails effect after application of the Pure Creamy Hybrid Top
- flat brush made especially for the PURE formula
