### Product description

**RECOMMENDATIONS:**

- for mechanical peeling of feet and body

**EFFECT:**

- has excellent exfoliating and softening properties
- regenerates and intensively moisturizes dry skin
- smoothes and tones
- has a relaxing effect

**ACTIVE INGREDIENTS:**

- Salt and sugar crystals
- Apricot kernel, almond and nut shell particles
- Shea butter
- Oils from sunflower seeds, corn, sesame and macadamia seeds
- Olive oil

**HOW TO USE:**

- Apply the appropriate amount of peeling to your hands and massage the feet or body
- for a better feet regeneration effect, leave the peeling under a foil occlusion for a few minutes after you finish scrubbing
- rinse with water and dry feet
