Manufacturer	Pharm Foot

Product description

RECOMMENDATIONS:

- ointment with 25% urea and emollients for very dry, cracked and keratinized foot skin, also recommended for diabetics

ACTION:

- reduces skin roughness,
- perfectly softens and moisturizes,
- prevents further keratinization through gradual exfoliation,
- regenerates,
- smoothes

ACTIVE INGREDIENTS:

- Urea - 25%
- Shea butter
- Vegetable oils
- Candelilla wax
- Panthenol
- Allantoin
- Vitamin E

HOW TO USE:

- apply the ointment on the feet, on the calloused areas,
- massage in and leave to absorb,
- due to the high concentration of urea, the preparation should be used under the supervision and according to the recommendations of a specialist

Capacity: 75g
