### Product description

- 4 Caring creams with perfume scents.
- They intensely moisturize, regenerate and strengthen the natural protective barrier of the skin.
- They are perfectly absorbed, and at the same time leave a delicate and velvety coating.
- They instantly restore comfort to dry skin.
- Recommended at the end of a manicure treatment and for daily skin care of hands and body.

### Active ingredients:

- shea butter
- aloe juice
- soybean oil
- allantoin

### Capacity 250 ml
