### Product description

**IMPORTANT!** – In winter, wait 3-4 hours before first use.

**An ultra-strong conditioner which strengthens and hardens weak and splitting nails**

- exceptional formula is able to reconstruct the brittle nail plate, building a strong and shiny Surface
- increases the nail plate's resistance to mechanical damage
- increase in nail strength is possible thanks to special polymers which bind with the nail's natural keratin
- daily use restores moisture and natural elasticity to the nail plate, strengthening it at the same time

### Contraindications

- bacterial diseases of the nail plate and skin
- allergies
- inflammatory and infectious changes
- ingrown and tube-like nails

#### **Precautions**

- do not use in case of hypersensitivity to any of the product's components
- keep away from children
- avoid contact with the skin or eyes
- in the case of adverse reactions (eg redness, itching or burning sensation), the product should be discontinued

**Capacity: 9 ml**
