### Product description

#### Christmas hybrid manicure set

##### GEL POLISH STARTER SET contains:

**NAIL FILE 180/240 white crescent** - file for natural, gel and acrylic-gel nails.

**WOODEN STICK 11.4 cm** - wooden stick for mani and pedicure treatments.

**MINI NAIL BUFFER 100/180** - a block for matting, preparing and smoothing the natural nail plate.

**SALON NAIL PREP 15ml** - preparation used as the first step in styling. Degreases natural nails and increases the adhesion of each styling.

**GEL POLISH Tape Bond 8ml** - an acid-free preparation that increases the adhesion of products to the natural nail plate.

**GEL POLISH MEGA BASE Cold Pink 8ml** - universal hybrid base ideal for building up and strengthening the natural nail plate.

**GEL POLISH 214 Merry Christmas 8ml** - classic hybrid varnish in pure red.

**GEL POLISH Top Unblue no wipe 8ml** - top for light-cured styling, without a dispersion layer. Gives shiny nails for up to 4 weeks.

**USB LED LAMP 6W** - a 6W mini LED lamp designed for curing hybrid products.
