Product description

The undoubted advantage of Mega Base pink is that you can use the product with one layer for French manicure, as a cover with two layers, and you can wear it solo.

A multifunctional hybrid base intended for:

- extension of the natural plate on the nai form
- reconstruction of damaged and brittle nails
- strengthening weak and soft nails
- Mega Base can be used in the Gel Polish and Pure systems
- The method of application as with hybrid bases
- Extends the natural nail plate to 2-3 mm
- The thick consistency of the base allows you to build a "C" curve and full control during application: it does not run off, does not flood the cuticles
- Flexible base resistant to mechanical damage
- It gives the nails a natural look and the desired shape
- It does not turn yellow
- In the case of an oily plate, it is recommended to use on GP Tape Bond
- Curing time: LED 48 W - 30 sec., LED 24 W - 60 sec., UV36 W - 120 sec.

- keep away from children
- avoid contact with skin and eyes
- use as intended
- do not use in case of hypersensitivity to any of the product ingredients
- in the event of an adverse reaction or the appearance of hypersensitivity, e.g. burning sensation, itching, redness, etc., discontinue use of the product
- use only on a healthy and unweakened nail plate
- for professional use only
